Why Use the Manual

Western is committed to maintaining a well-designed, effective process for developing and implementing articulation pathways with two and four year institutions to ensure an orderly transfer of academic credit for the students that we serve.

Western solicits partnerships and articulation opportunities that will improve student success and increase their access to advanced educational opportunities.

Unsure of the Agreement Types

Most Important

Individual Western schools/colleges are not authorized to enter into an articulation, degree partnership agreement or reverse transfer agreement without Provost approval.

Agreements are only valid if they are executed by persons authorized to bind the Party (Western) in contract. The three people who are authorized to do so are the University President, VP Finance, or VP/General Counsel.
