

Faculty Senate President's Report
May 14, 2019

1. **Faculty Senate Committee Reports:** Each FS Committee chairperson will receive a request from the FS President to provide a summary report to be posted in time for our May 28th meeting. This provides an archive of year end reports that will assist the next year's membership on committees in knowing what the committee accomplished and what they might plan to do in 2019-20.

2. **Shared Governance:**
Meeting about shared governance: On May 31st there is a three-hour retreat focused on shared governance at WOU. Who is invited: FS Executive Committee, FS President elect, Administration (Deans, Provost, President)
Survey about shared governance: A survey link was sent to all FS Senators prior to May division meetings. This survey was designed by a group of faculty members interested in examining shared governance at WOU. Individuals or divisions could respond. Results of the survey will be shared at the May 28th FS meeting. There is still time to respond.
