2. WOU working to become Oregon's Most Transfer-Friendly:

Actively in progress at WOU.

Positives: include name change and development of more BAS degrees, Degree Partnerships Program, adoption of the Transfer Evaluation System.

Places that need work: transfer articulations can be finicky, would like to better centralize process, need help spreading the word.

Request feedback from faculty to strategize and plan.

3. Student Affairs Info for Spring 2020:

- Housing/Dining waived fee for students staying over spring break, allow students to move out for spring without penalty, currently have 143 students on-campus – spaced into campus apartments, moved dining to take-out only
- Student Health and Counseling offers virtual appointments and provides COVID19 testing
- Campus Recreation is offering Fitness OnDemand to all members, ESports upcoming
- Student Engagement offers remote/virtually activities, Clubs are still meeting virtually, have a weekly newsletter and website with programming/events
- ASWOU operating remotely, authorized incidental fees to help keep students employed on campus
- Wolf Ride offers single person rides
- Service Learning and Career Development has virtual appointments for students
- Admissions is conducting virtual gatherings and preparing for TSOAR/SOARs remotely
