Before taking common core literature courses (ENG prefix), students must complete two LACC literature courses. ENG 107 and 108 should be taken as the two LACC literature courses for English majors and language arts secondary education majors. ENG 109 is also recommended. Students who already have taken END 104, 105, 106, 109, FR 110 or GL 110 should see their English advisor to substitute for ENG 107 and/or ENG 108 on their Academic Degree Program form. All students should complete ENG 218W as early as possible in the English Core.
