- I. Reports
  - a. WUC
    - i. Projects
      1. Roof work is completed.
      2. Heating and cooling coil is being replaced in February in Caffe Allegro (the one that broke and created a leak in Fall term).
      3. Heating and Cooling upgrade in Abby' House to bring it in line with campus temp range of 68-72. We haven't been able to do that in decades.
      4. Carpet replacement because we are at the life cycle end of some.
    - b. WolfStore
      - i. Almost official E-books contract that is very exciting
      - ii. Adidas apparel is in the Wolfstore on display
    - c. Campus Dining
      - i. Covid-19 has impacted food services operations. Some hours of Caffe Allegro had to be adjusted when student employee tested positive and having enough employees to help.
      - ii. Grill and Deli will remain closed the rest of the academic year.
      - iii. Catering is very limited due to staffing. No self-serve options at this time, but are still having some catering, like Preview day sack lunches.
- II. Old Business
  - i. Review October 14<sup>th</sup> minutes. No edits.
  - ii. Nomination and election of Vice Chair.
    1. Decision was to postpone this to Fall 2022 since there is only 1 meeting left this academic year.
- III. New Business
  - a. Bylaw edits
    - i. Kristen made the suggestion to take out specific depts represented on the bylaws and make it more encompassing, so it won't need to be changed as departments leave and entry the WUC. Something like :”There will be one staff and student representative from each department housed within the WUC”.
    - ii. Edits will be available to review one more time before voting at the Spring Term meeting
  - b. IFC Process
    - i. We found out at the 1<sup>st</sup> IFC meeting this week to prepare 10, 15 and 20 % cut packages. This level is being asked due t decreased enrollment.
    - ii. Normally this committee would see the budget, cut packages and the like ahead of time, but the timeline is very condensed and wouldn't allow for that.
- IV. Determine our next scheduled meeting
  - a. We will meet via Zoom in Spring Term.
  - b. Chelsea will send out a Whenisgood after Spring Term class registration week is done for our meeting in April.
